Match the headings (1 – 5) to the following texts (A – E). Mark your answers on the answer table.

A

This is year-long course is perfect for people who want to learn about how to use a camera and who want to take it up as a profession. Students will learn how to use light and shade, colour and different shapes. The course will also teach students to change their work using computer technology. Tips will be given on how best to get started in the profession.

B

Learn about how to use computer software to make your work life easier. This course is designed for people who use computers regularly as part of their career, but who feel they are unable to

make the most of the technology. Learn about new software for storing documents and photographs and keeping records. This evening class runs for ten weeks from September to December.

C

This is a series of daytime lectures by people who have lived and worked in wild places. Each of the six talks will focus on a different continent. Lecturers will show photographs of the animals and plants, and explain why they are only found in one area. Lecturers will include Leo Holland, a scientist from the Antarctic project, and Milly Oliphant, who researches birds in the Amazon rainforest. Tea and Biscuits provided.

D

Do you want to show your friends a photograph of you beside the Egyptian pyramids or in the jungles of Borneo? Well now you can tell your friends that you have travelled the world without actually leaving the country! Join this evening class and learn how to use the latest technology and software to change photographs to a professional standard. You will also learn how to make your own computer designs using the computer programmes used by professionals.

E

Travel to a different wild place every week and learn how to take photographs of animals, plants and scenery. Our expert teachers will advise you how to take the best pictures. This course will run for six weeks on Saturdays. Students should already have a good understanding of photography and their own equipment. The class is suitable for everyone, as there is very little walking involved.

Задание №2

You are going to read an article. Ten sentences have been removed from the article. Choose from the sentences A – F the one which fits each gap (6 – 10). There is one extra sentence which you do not need to use.

Sixteen - What now?

You're 16 and finally you can leave school! By now, you're probably sick of teachers, desks, tests and exams. But don't just run for the exit. **(6)** ____

If you want a professional career, you will need to go to university and get a degree. **(7)** ____ But you needn't stay at the same place. There are several options in the district of Northacre. St. Leopold's School has the best pass rate of all the high schools in the district. It offers a wide range of subjects in the humanities and sciences.

St Leopold's is, of course, a private school, so may be too expensive for you. But don't worry, there are several other options if you want to follow the academic route. **(8)** ____ It is a boys' school from the ages of 11-16, but from 16-18 it is co-educational. But it is selective, so you'll have to pass an exam to get in. If you're interested in going into Business, check out Wyle River Academy. This school specialises in subjects like Business Studies, Management and Economics. **(9)** ____ Here you can study woodwork, art, textiles and much more.

Northacre College also offers a wide range of vocational qualifications. You can do a 1-year certificate or a 2-year diploma in subjects like electrics, plumbing, roofing and hairdressing. If you'd prefer to work outdoors, look at Milldown College, where there are courses in Farm Mechanics, Land Management, Animal Management and much more. **(10)** ____ You will get on-the-job training, gain certificates or diplomas and start earning straight away. But be warned - places are limited! Find out more at the Jobs Fair on 26th May at Northacre College.

- A. A final option is to get an apprenticeship with a local or national company.
- B. If you prefer the arts, look at the courses on offer at Northacre College.
- C. Knowle Grammar School is a state school, so there are no fees, and it has excellent tuition and facilities.
- D. However, it will always be an issue for most students.
- E. To do that, you need to stay at high school for another two years.
- F. You need to think carefully about what to do next.
