Алголинарова Dear Anastaslia Appolinarova, As the cofounder of Publons allow me to formally welcome you to the Publons community! Now that you've registered you can start building up your Publics profile to demonstrate your scholarly impact. Import your publications and add records of your peer reviews then we'll populate your profile with citation metrics and comparative metrics for your fields of research. Import your publications You can import your publications directly from Web of Science. Confirm which publications are yours and we'll add them to your profile, along with your Web of Science Core Collection citation counts and h-index. Adding at least one Web of Science Core Collection indexed publications is all you need to do to claim your
