Russian Academy of Sciences (Atlantic Branch)**

Museum of World Ocean

Immanuel Kant Baltic Federal University

**All-Russian Conference with international participation
“XXIX COASTAL CONFERENCE:
FIELD-BASED AND THEORETICAL RESEARCH IN
SHORE USE PRACTICE”
Kaliningrad, April 18-24, 2022**

Second Announcement

The Working Group "Sea Coasts" under the scientific and methodological guidance of the Section of Oceanology, Atmospheric Physics and Geography of the Department of Earth Sciences of the Russian Academy of Sciences (WG "Sea Coasts"), the Atlantic Branch of the Shirshov Institute of Oceanology of the Russian Academy of Sciences (AB IO RAS), the Museum of World Ocean and Immanuel Kant Baltic Federal University invite you and your colleagues to take part in the All-Russian conference with international participation "XXIX Coastal Conference: Field-based and Theoretical Research in Shore Use Practice", Kaliningrad, 18-24 of April 2022.

Main topics of the conference (sections)

- (1) Hydro-, morpho- and lithodynamics of sea coasts and adjacent water areas;
- (2) Coastal zone: interaction with the open sea and land waters, response to climate change;

- (3) Anthropogenic impact: coastal protection and other marine hydro-technical structures, dredging, dumping, pollution;
- (4) Field experiment, monitoring, modelling, remote sensing, geoinformation technologies and regionalization;
- (5) Socio-economic, regulatory, international, historical and cultural aspects and integrated coastal zone management issues.

Program Committee

Chairman of the Program Committee:

- **Gennadiy Matishov**, Doctor of Sciences in Geography, Academician, Chairman of the Section of Oceanology, Atmospheric Physics and Geography of the Department of Earth Sciences of the Russian Academy of Sciences, (Russia)

Vice-chairpersons:

- **Vadim Sivkov**, PhD in Geology and Mineralogy, Director of the Atlantic Branch of the Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia),
- **Georgiy Gogoberidze**, Doctor of Sciences in Economics, Associate Professor, Chairman of the Working Group "Sea Coasts", Leading Researcher of the Murmansk Arctic State University (MASU) (Russia);

Program Committee

- **Viktor Afanasjev**, Doctor of Sciences in Geography, Head of Laboratory of Coastal Systems, Institute of Marine Geology and Geophysics, Far Eastern Branch of the Russian Academy of Sciences, (Russia);
- **Leila Bashirova**, PhD in Geology and Mineralogy, Director of Scientific-Educational Centre «Geoecology and Marine Nature Management», Immanuel Kant Baltic Federal University; Deputy Director for Science of Atlantic Branch of the Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);
- **Ludmila Bernalova**, Doctor of Sciences in Geography, Professor, Southern Federal University (Russia);
- **Albertas Bitinas**, Professor, Leading Researcher, State Scientific Research Institute Nature Research Centre, Chief Editor of the BALTICA Journal (Lithuania);
- **Pavel Brovko**, Doctor of Sciences in Geography, Professor, Head of Laboratory for Coastal-Maritime Nature Management, Institute of World Ocean, Earth Sciences Department, Far East Federal University (Russia);
- **Yuri Goriachkin**, Doctor of Sciences in Geography, Main Researcher, Federal Research Centre «Marine Hydrophysical Institute of Russian Academy of Sciences» (Russia);

- **Mikhail Grigoriev**, Doctor of Sciences in Geography, Deputy Director for Science, Melnikov Permafrost Institute of the Siberian Branch of Russian Academy of Sciences (Russia);
- **Vladimir Zhigulski**, Director, Eco-Express Service LTD (Russia);
- **Leonid Zhindarev**, Doctor of Sciences in Geography, Professor, Leading Researcher, Geography Faculty, Lomonosov Moscow State University, (Russia);
- **Vladimir Zhmur**, Doctor of Sciences in Physics and Mathematics, Corresponding Member of Russian Academy of Sciences, Professor, Head of the Chair of the Thermo-Hydro-Mechanics of Ocean, Moscow Institute of Physics and Technology (Russia);
- **Peter Zavalov**, Doctor of Sciences in Geography, Corresponding Member of Russian Academy of Sciences, Deputy Director for Science, Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);
- **Andrey Zatepin**, Doctor of Sciences in Physics and Mathematics, Head of Laboratory for Experimental Ocean Physics, Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);
- **Ruben Kosjan**, Doctor of Sciences in Geography, Head of Laboratory for Lithodynamics and Geology, Southern Branch of Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);
- **Sergey Kuznetsov**, Doctor of Sciences in Geography, Head of Zenkovich Shelf Laboratory, Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);
- **Stanislav Ogorodov**, Doctor of Sciences in Geography, Head of Laboratory for Geoecology of the North, Geography Faculty, Lomonosov Moscow State University, (Russia);
- **Rafal Ostrowski**, Professor, Head of Department of Coastal Engineering and Dynamics, Institute of Hydro-Engineering of Polish Academy of Sciences (Poland);
- **Daria Ryabchuk**, PhD in Geology and Mineralogy, Head of Department of Regional Ecology and Marine Geology, Karpinsky Russian Geological Research Institute (Russia);
- **Svetlana Sivkova**, Director, Museum of World Ocean (Russia);
- **Jan Harff**, Professor, Faculty of Earth Sciences, University of Szczecin (Poland);
- **Yuriy Shuisky**, Doctor of Sciences in Geography, Professor, Department of Physical Geography and Environmental Management, Odesa I.I. Mechnikov National University (Ukraine).

Organizational Committee

Chairman of Organizational Committee

- **Boris Chubarenko**, PhD in Physics and Mathematics, Head of Laboratory of Coastal Systems Study, Atlantic Branch of the Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);

Scientific Secretary

- **Ekaterina Rumiantseva**, PhD in Physics and Mathematics, Scientific Secretary of the Working Group "Sea Coasts", Senior Researcher of the Murmansk Arctic State University (MASU) (Russia);

Members of Organizational Committee

- **Maksim Demin**, PhD in Physics and Mathematics, Vice-rector for Science, Immanuel Kant Baltic Federal University;
- **Anna Belova**, PhD in Geography, Director of the Centre of Science-Technical Information, Immanuel Kant Baltic Federal University;
- **Vasilina Medvedeva**, Head of Department for Nature, Museum of World Ocean (Russia);
- **Eugeny Burnashov**, PhD in Geography, Deputy Director for Monitoring and Safety of Hydro-technical Structures, Regional Enterprise «Baltberegostita»;
- **Dmitriy Domnin**, PhD in Geography, Researcher, Laboratory of Coastal Systems Study, Atlantic Branch of the Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);

The **Technical Group** is included in the Organizational Committee. It is coordinated by **Nadezhda Dvoeglazova**, laboratory assistant, Atlantic Branch of the Shirshov Institute of Oceanology of the Russian Academy of Sciences (Russia);

Languages

The working languages of the Conference are Russian and English.

Venue and dates

The conference will be held on April 18-24, 2022, in Kaliningrad, based on the Atlantic Branch of the Shirshov Institute of Oceanology (AB IO RAS), Museum of the World Ocean (MWO) and Immanuel Kant Baltic Federal University (IKBFU).

Conference organization

The sessions will be held in the form of plenary, sectional, and poster presentations following the conference's main topics. Detailed information on the regulations will be provided in the 3rd newsletter.

By submitting the registration form or payment the fee, the applicant gives his consent to the processing of the submitted data for the purpose of organizing the conference, posting information, as well as audio/photo/video materials on his participation in the conference

on the organizer's websites.

The organizing committee **does not provide** financial support for participation in the conference and **does not book accommodation** for conference participants.

A tentative schedule of the conference

<i>Date</i>	<i>Day of week</i>	<i>Activity</i>
18.04.2022	Mon	Arrival day, Check-in registration, Welcome buffet
19.04.2022	Tue	Check-in registration, conference opening, Plenary and oral presentations
20.04.2022	Wen	Plenary and oral presentations
21.04.2022	Thu	Plenary and oral presentations, poster session, Conference closing, gala dinner
22.04.2022	Fri	Scientific and technical excursion along the coast of the Kaliningrad Oblast (coastal protection structures, Filial of the Museum of World Ocean in Svetlogorsk)
23.04.2022	Sat	Optional excursion to the Curonian Spit, working meetings
24.04.2022	Son	Departure day

Key dates

First announcement	–	<i>November 2021</i>
Second announcement	–	<i>December 2021</i>
Submission of proposals for additional topics, thematic sessions and round tables	–	<i>Up to January 15, 2022</i>
Submission of individual registration form*	–	<i>Up to January 15, 2022</i>
Applying for visa support	–	<i>Up to January 15, 2022</i>
Submission of extended conference abstracts	–	<i>Up to February 15, 2022</i>
Information on the procedure for paying the registration fee will be sent to registered participants	–	<i>Up to February 15, 2022</i>
Distribution by the Organizing Committee of information on the acceptance of contributions (in the form of a preliminary conference program), mailing of personal invitations (upon request)	–	<i>Up to March 1, 2022</i>
Third announcement	–	<i>March 2022</i>
Payment of the conference registration fee	–	<i>Up to March 15, 2022</i>
Conference Program distribution	–	<i>Up to April 01, 2022</i>
Conference	–	<i>April 18-24, 2022</i>
Submission of articles to special issues of the		

journals (on the recommendation of the Program – *Up to June 15, 2022* Committee), directly to journals, on an individual basis

* A registration form is provided at the end of this file.

Publication of conference materials

The conference materials will be published in the form of a collection of extended abstracts in electronic form. It will be displayed on the websites of the conference organizers (WG “Sea Coasts” and AB IO RAS), indexed in the Russian Science Citation Index system.

The rules for authors are given in this information letter below.

The Conference Program Committee will recommend selected presentations for publication in the special issues of the Russian national journals "Environmental safety of coastal and shelf zones of the sea" (included in the list of the Higher Attestation Commission, RSCI impact factor is 0.756), "Oceanological Research" (included in the list of Higher Attestation Commission, RSCI impact factor is 0.370) and International Journal “Baltica” (indexed in WoS and Scopus).

Visa

For most foreigners, it is essential to obtain a Russian visa. The Conference Organizing Committee may prepare visa support letters by **January 15, 2022** (upon request).

Registration form

The registration form (at the end of this file) must be filled out and sent to the Organizing Committee of the conference by **January 15, 2022**.

Please send the registration form in Word format to the Scientific Secretary of the Conference **Ekaterina Rumyantseva**, by email rumkate@rambler.ru; the subject line is ‘CoastConf 2022: Reg. form ...[name&surname]’.

Registration fee

The registration fee is:

- 3500 rubles for regular participants;
- 3000 rubles for employees of scientific and educational institutions subordinate to the relevant Ministries of the Russian Federation;
- 1500 rubles for young professionals (up to 35 years old at the start date of the conference, 04/18/2022).

The registration fee includes:

- a complete set of conference materials (participant's package);
- welcome buffet;

- coffee breaks during the conference;
- scientific and technical excursion (04.22.2022).

Travel, accommodation, meals during the conference, excursions, personal expenses, and the final banquet **are not included** in the registration fee.

Participation in the final banquet of the conference **is paid separately** at registration.

Registration fee payment procedure

The registration fee can be paid by bank transfer or via the Sberbank-online system. Participants will be informed about the details of paying the registration fee by February 15, 2022.

At the conference, upon registration, the participant will be given the originals of accounting documents and an invitation ticket to participate in the final banquet of the conference (if paid).

Contact persons

Nadezhda Dvoeglazova - Technical Secretary, nadya2eyes@mail.ru

Instruction for authors

The applicant can submit to the collection of conference materials no more than two materials as the first author. Contribution as a co-author is not limited.

The text (see the template below) must be submitted in electronic form (Word editor, margins - 25 mm on all sides, font Times New Roman, size 14, single-spaced, justified).

In the upper left corner, there is a thematic UDC number (for the foreign participants, it will be assigned by organizers). On the following line - the title of the contribution in the centre in capital letters in bold without abbreviations. Below in the centre, separated by commas, the full names of the authors (for example, Petrov S.A.) are written in bold italics, with superscript numbers indicating the subsequent affiliation with the organization. Further, the organization represented by the author, city, country, email address should be listed under the authors' full names, sequentially, following the affiliation of the article's authors, left alignment.

The following line contains keywords in italics.

The total volume of materials should not exceed three pages; any graphic material is allowed (in shades of grey, good resolution, at least 300 dpi), location - anywhere in the text, size of the minor designation - 10 point size. All captions within a figure should be in English. Translation of the figure captions to Russian will be added by organizers.

Footnotes are paginated, automatic, by numbers (size 12). Paragraph indent - 1.25 cm, automatic, not just the Space key. Use automatic word hyphenation on lines. There is no page numbering.

Place the list references at the end of the text in alphabetical order without indentation. Links to used literature should be inserted in the text in square brackets in the form [Surname, year] or [Surname et al., year] in the case of more than two authors.

The file with the contribution must be named with the first author's surname. If the first author submits two materials, a sequential number is indicated after the author's surname (for example, Petrov1.docx, Petrov2.docx).

The organizing committee reserves the right to select materials and partially edit them, taking into account the conference's theme.

Materials drawn up according to the above rules must be sent by **February 15, 2022 (inclusive)** to the email address of the scientific secretary of the conference, Ekaterina Rumyantseva, rumkate@rambler.ru.

All-Russian Conference with international participation
“XXIX COASTAL CONFERENCE:
FIELD-BASED AND THEORETICAL RESEARCH IN SHORE USE PRACTICE”
Kaliningrad, April 18-24, 2022

Registration Form* for Foreign Participants

Name, Surname (English)	
E-mail	
Academic degree (English)	
Institute name (English)	
City, country (for the Institution) (English)	
Position (English)	
The role: presenter or hearer (please, select)	
Topic Number	
Type of presentation: plenary, oral, poster (please, select)	
Title of the contribution (English)	
Author (-s) of the contribution (English)	
Abstract in English, up to 1000 characters with spaces, no figures and references	
A need for the letter for visa support (yes/no)	
A need in accommodation advises (yes/no)	
Other: dietary preferences, accompanied persons etc.	

* - by submitting the registration form, the applicant gives his consent to the processing of the submitted data for the purpose of organizing the conference, posting information, as well as audio/photo/video materials on his participation in the conference on the organizer's websites.

Please send the completed registration form to the e-mail address of the Scientific Secretary of the Conference Organizing Committee, **Ekaterina Rumyantseva**, to the address:
